eat the nation should contribute to Tug Bohemia, after delivering tie-Tug Bohemia, after delivering tiethe support of the District's because
Washington, being the nation's capital, is obligated to expenditures farbeyond the requirements of an ordiheround the requirements of an ordiheround the commission might
know something of the views of the
American people with regard to the
nation's capital letters should be sent
to the governors of all the states, to
the editors of the leading newspapers
throughout the land and to representative men in all sections, setting before
them the question at issue and inviting
expressions from them.

The District's spokesmen should present to the commission statistics con-

compressions from them.

The District's spokesmen should present to the commission statistics concerting the amount of private property converted into government ownership during the last twenty-five years and which has thus been withdrawn from the receive producing area, he declared.

With regard to the question of taxation, Mr. West said:

"We must first impress upon the commission the fact that the principal point to be considered is not what is the rate of taxation, but what is the fact of the people. Our rate may be ten mills on the dollar upon a basis of a full valuation and other communities may have a rate of twenty-two mills on the dollar upon a basis of a full valuation and other communities may have a rate of twenty-two mills may have a

BE PRETTY! TURN GRAY HAIR DARK

Look young! Nobody can tell if you use Grandmother's simple recipe of Sage Tea and Sulphur.

Almost every one knows that sage tea and sulphur, properly compounded, brings back the nat-ural color and luster to the hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is mussy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bot-tle of this famous old recipe for

about 50 cents.
Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft-brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears and after another application of two your hair becomes beautifully
